FIGS

# 2018 ANNUAL REPORT

Thank you donors and friends!

FIGS helped 2,591 Wake County residents who needed prescription and medical supplies assistance in 2018.

Your donations funded prescription medications, over-the-counter medications, diabetes supplies, endometrial testing supplies, vaccines, C-Pap machines for sleep apnea, and transportation to medical appointments.

Accomplishments include:

- Expanded medication management by moving to 90-day prescription refills for patients stabilized on a medication encouraging patients to stay on their essential medications.
- Funded influenza vaccines through our partnership with Urban Ministries.
- Purchased diabetic supplies for the Wellness on Wheels (WOW) Bus sponsored by the NC Nursing School through Dorcas Ministries to reach patients in rural areas of Wake County.
- Covered medication costs for eastern North Carolina residents displaced during the aftermath of Hurricane Florence.
- Opened our new office co-located with Alliance Medical Ministry at:

  101 Donald Ross Drive, Raleigh, N. C. 27610
  919-386-9645

With 100,000 Wake County residents currently uninsured, FIGS is committed to expanding its programs in 2019. I invite you to join us on Facebook, Instagram, or sign up for our newsletter to follow our progress. Even in extraordinary economic times, I remain hopeful that together we can make a difference.

On behalf of the FIGS Board, thank you for your continued support.

MYRA C. BRICKELL, RPh

*Valerie has been a patient of Urban Ministries of Wake County's Open Door Clinic for nearly ten years, where she sees her doctor regularly and her prescriptions are filled at no cost thanks to Filling In Gaps (FIGS). Before coming to the Open Door Clinic, Valerie was going to the Emergency Room anytime she was sick enough to justify the visit, racking up huge amounts of debt.*
